AquaWoman Dive

Women divers are invited to join the Long Island Divers Association for its 30th Anniversary Annual AquaWoman Dive. Become a part of history, as women divers gather to celebrate this auspicious event and Northeast Wreck Diving.

The annual AquaWoman dive started thirty years ago, by now charter member of the Woman Divers Hall of Fame and then Vice President of the Long Island Divers Association, Edith Hoffman. Edith knew that there were many other woman divers like her. The dive spots filled quickly with women from six states, including commercial divers, homemakers, and even a Radio City Rockette. The women dove the U.S.S. San Diego that day and began a tradition that continues today.

This year's dive will be to the wreck of the U.S.S. San Diego, site of the first AquaWoman dive. The operating depth of the dive is from 70ft-115ft, making this an ideal site for both novice and experienced divers. The U.S.S. San Diego, an armored cruiser, was the only major U.S. war vessel lost during World War I and is generally recognized as one of the Northeast's premiere dive sites.

Dive boats will sail from the Freeport, Long Island area. Bring along something to put on the barbeque or other culinary delight to share. Soft drinks will be supplied by LIDA. A post-dive party will be held after the dive. LIDA will supply the soft drinks and paper goods, a "pot-luck" policy will provide the snacks. All are invited to join us in welcoming the divers home.
